1. The autumn season starts - active seminar coming up

We may have enjoyed a long hot summer, but the autumn season is right around the corner... My own autumn has started by completing five years

as an employee of MiB! I have always said that I have the best work community and colleagues in the world - almost 300 people all over Finland. <3

*In case you have not registered... places always become available until the last minute! Sign up for the queue before September 4th:
www.lyyti.in/seminaari2022*

I am really looking forward to the active seminar at the beginning of September as it is the first joint live meeting of all MiB's actives after a couple years' break.

Together with my colleagues Susanna and Tuovi, we have worked hard for an interesting program and proper arrangements. We hope that the seminar will be a great experience for you and your active colleagues at MiB. It's wonderful to finally meet face to face, hear inspiring speeches and get to work together - I hope you'll be joining us!

At the start of the autumn, we also ask you to praise your active colleagues. Which MiB active would you especially like to thank? Which colleague has

impressed you with their volunteer work? Make the nomination at: <https://www.lyyti.fi/questions/b10d388b41> latest on September 7th. Based on the nominations, we will reward the Super Actives of 2022 at the active seminar, so give your vote!

✨ *Please remember to thank and praise yourself too, because you all deserve it for your volunteering efforts!!* ✨✨✨

With kind regards, Soile, MiB's coordinator of volunteers

2. Open doors to events on Baby week

Baby Week is coming up on the 26.9.-2.10. And [the Baby Day](#) is celebrated on the 30th of September.

This is a week when all MiB's branches organise events that are open to everyone. We want to show our great activities and spread the word about MiB and why moms should join this empowering community. The target group this week is especially moms on parental leave or still expecting.

During the week, we will also post baby related content in different channels. If you wish to attend the content creation, send a message to viivi@mib.fi. 

3. How are you? Tell us!

Here in MiB we want to know how you are doing, because your happiness is important for us .

You will find our Active pulse link from every active letter. It includes one quick question and an opportunity to tell us more about how things are going. This gives us valuable information about your happiness as an active volunteer. The Active pulse is quick to answer and always anonymous. Please let us know how you are doing!

4. “Family-friendly work life” seminar coming up in October

“The family-friendly work life” seminar is here for the third time! The seminar will take place on Friday 7 October at 12-15 both live in Helsinki and streamed. This year we will provide English streaming for international MiB moms between 12-13. Please already spread the news about the event!

In the English part of the program, we will hear a presentation about father-friendly management, a topic related to the recent Finnish family leave reform.

The aim of the seminar is to make working life more family-friendly and to give workplace management, supervisors and HR experts practical tips for developing family-friendliness in their own organization.

The marketing of the seminar starts next week - if it suits you, please invite your own possible employer and join yourself also!

5. MiB's newsletter has been renewed

MiB's newsletter will in the future be directed to all those who are interested in our activities, in addition to MiB members. The newsletter

can be ordered through MiB's website. In the future, all new people who have participated in MiB's open events will be added to the mailing list. Employees collect the information through event registrations in Lyyti.

The content of the newsletter has been developed to be more informative and interesting and it will always focus on a specific theme. Themes for autumn 2022 include family-friendly working life, babies and volunteering.

In addition to serving our current members, the aim of the newsletter is to recruit new members and do influential work.

If you want to participate in the writing of newsletters or give feedback, please contact vilma@mib.fi.

8. Planning a draw?

Is your local chapter or team planning a raffle to support membership acquisition, for example? Great idea! MiB has instructions on organizing lotteries, please ask more from MiB worker. As a rule of thumb:

Publicity: The greatest possible public visibility and the opportunity for everyone to participate

Performance: Registration for an open event or some posting like/comment, but no tagging!

Chance: All participants in the draw must have an equal chance of winning.

P.S. Free membership for the end of the year - membership campaign starts at the end of October 🍀 This is a lottery in which everyone wins!
